Tallula's

About Us

Tallula's is an ingredient-driven, neighborhood Mexican restaurant located in Santa Monica Canyon just a few hundred feet from the beach. Co-Owners Josh Loeb and Zoe Nathan both grew up going to this location in its former incarnation as Marix Tex Mex, and long thought of doing their own personal project in the space. When the opportunity came up, they partnered with Rustic Canyon Chef/Co-Owner Jeremy Fox, and they're now fulfilling that dream.

The kitchen at Tallula's is overseen by Jeremy, whose love for great ingredients and passion for cooking is translated into a menu full of rich, bold flavors and imaginative takes on familiar Mexican dishes. The seasonally-inspired menu sources ingredients from the Santa Monica Farmers' Market and other local purveyors the chef knows and trusts. The Mexican-inspired dessert menu was created by Zoe, a celebrated baker, and is run by the Tallula's team. The restaurant also has a great bar focused on agave-based spirits and fresh market produce, plus well-curated wine and beer lists paired to match the flavors of the food.

Tallula's is a place to gather with friends and loved ones, and enjoy wonderful flavors and great drinks.
