

About Us

Tallula's is a vibrant, coastal Mexican restaurant and bar that's like a hidden oasis with a huge patio, tucked between the beach and mountains in Santa Monica Canyon. It's a neighborhood spot where the aroma of handmade corn tortillas emanates from the kitchen, everyone's digging into platters of freshly-shucked oysters, heaps of cheesy nachos and large molcajetes, and the margaritas are always flowing in Felix's Bar (a drinking destination in and of itself, with a separate snack menu). Open for Happy Hour, Taco Tuesday, Dinner and Weekend Brunch, the comforting, seasonal menu draws influences from various regions throughout Mexico and features responsibly-caught seafood, a variety of tacos on heirloom corn tortillas showcasing our housemade masa, organic produce from the nearby farmers' market, and an incredible selection of small-batch agave spirits.
